## FOREWORD

It is with utmost pleasure and honour that I am presenting the Annual Report of the Pay Research Bureau (PRB) for the year 2009.

Through this Report, the PRB aims to unfold its accomplishments during the year under review and create an understanding amongst its stakeholders of the role, responsibilities and functions of the Bureau. The Report also gives an overview of the PRB, including its mandate, staffing structure and framework within which the operations are carried out.

The year 2009 has, in the main, been marked by the publication of the Report on Errors, Omissions and Clarifications of the 2008 PRB Report.

After the publication of the main report in May 2008 and in accordance with specific provisions contained therein, a post review mechanism was instituted to deal with and look into cases of errors/omissions and such other issues related to interpretation/implementation problems.

Consultative meetings were held with the Federations of Unions and with individual Unions and Management upon request and where it was deemed necessary. All representations submitted to the Bureau were studied and examined with due diligence; and only those considered as valid within the framework of genuine errors and omissions were retained and corrective recommendations made. These changes/amendments were compiled and published in the Errors, Omissions and Clarifications (EOC) Report in June 2009.

In the delivery of our services, we operate in conformity with the quality standards ISO 9001:2000 and have during the year under review continued to improve on our processes and have reviewed our quality objectives.

In line with the principle of good governance, a Customer Feedback Survey was carried out in November/December 2009 to gauge the efficiency and effectiveness of our service delivery. This exercise has generated valuable data to help us better serve our customers.

Moreover, for improved organisational performance and for outcome-based strategies, we effectively implemented the Performance Management System (PMS) in all its rigour and in line with Government Policy, ensured the continued implementation of the Programme Based Budgeting (PBB).

We stand guided by our deep rooted core values and reaffirm our commitment for continuous improvement in our service delivery. I am, therefore, confident that we will consistently deliver with excellence on the mandate of the Bureau. I acknowledge the valued partnership of my stakeholders and the unflinching efforts of my staff.

K. Chengalanee  
Director

OBJECTIVES

CORE VALUES

VALUE STATEMENT

## OUR VISION

To be a world class organisation in matters of pay and conditions of employment in the Public Sector.

## OUR MISSION

To review the pay and grading structures, conditions of employment and organisational structures to enable excellence in the delivery of service in the Public Sector.

## OUR MAIN OBJECTIVES

- (i) To carry out reviews of pay and grading structures in the Civil Service, Rodrigues Regional Assembly, Parastatal and other Statutory Bodies, Local Authorities and the Private Secondary Schools and to make appropriate recommendations with a view to:
  - (a) rendering the sector more efficient and effective;
  - (b) facilitating recruitment and retention of required skills in the service;
  - (c) boosting reforms initiatives;
  - (d) ensuring that reward in the Public Sector keeps pace with those of corresponding positions in the private sector, to the extent that it is desirable;
  - (e) establishing and maintaining reasonable differentials in respect of different categories of skills and levels of responsibility; and
  - (f) ensuring adequate linkage between pay and economic growth in the country.
- (ii) To conduct research and keep abreast of developments in the fields of Remuneration, Conditions of Employment, Organisation Design and the like.
- (iii) To advise on the proper design of organisation structures.
- (iv) To assist in the implementation of our recommendations.

## OUR CORE VALUES

### EQUITY AND FAIRNESS

### PAY RESEARCH BUREAU – AN OVERVIEW

# PAY RESEARCH BUREAU

## AN OVERVIEW

The Pay Research Bureau (PRB), set up in 1977 as an independent organisation under the aegis of the Prime Minister's Office, became operational in March 1978. Its main function is to carry out continuous review of Pay and Grading Structures and Conditions of Service in the Public Sector (the Civil Service, Parastatal and other Statutory Bodies, Local Authorities, Rodrigues Regional Assembly) and the Private Secondary Schools.

The Bureau carries out the Pay and Grading exercise in respect of Ministries (22), Departments/Divisions of the Civil Service (55), Parastatal Bodies (87), Local Authorities (9), the Rodrigues Regional Assembly and the Private Secondary Schools (110). The Bureau also makes specific recommendations for public service pensioners, holders of constitutional posts and other statutory posts as well as for advisers/officers employed on contract.

The Bureau published its first Report in 1982. Thereafter, on a quinquennial basis, successive Reports on the overall review of the Pay and Grading Structures and Conditions of Service in the Public Sector and the Private Secondary Schools were published in the years 1987, 1993, 1998, 2003 and 2008.

An Errors, Omissions and Clarifications (EOC) Report is normally published within 12 months after the publication of a main Report with a view to addressing genuine errors and omissions arising out of the main Report and providing clarifications to facilitate implementation/interpretation of recommendations.

The Bureau generally attends to its stakeholders through the Ministry of Civil Service and Administrative Reforms. It also provides direct services over the phone, through e-mails, letters or through personal contacts to a large customer base of about 170 organisations, 300 staff associations, 83000 public officers, 23000 public service pensioners, and to some 5600 employees and 1200 pensioners of the Private Secondary Schools.

Officers of the Bureau act as resource persons in seminars and workshops organised by Unions/Federations to expatiate on recommendations contained in the PRB Report and give additional information and clarifications.

The Web Site of the Bureau provides accessibility to its Reports and details of services available to its stakeholders and to the public at large.

The organisation structure of the Bureau comprises the Director, two Deputy Directors and a staffing complement of three Principal Job Analysts, four Job Analysts, 12 Survey Officers, a Secretary and a support staff of 19 members.

## CHAPTER IV

### YEAR UNDER REVIEW AND SERVICES PROVIDED

## YEAR UNDER REVIEW

The year 2009 was marked by the publication in June of the report on Errors, Omissions and Clarifications of the 2008 PRB Report in the Public Sector and the Private Secondary Schools.

In line with provisions made in the 2008 PRB Report, a post review mechanism was put in place to deal with and/or look into such cases of omissions or errors and such other issues or matters relating to interpretation/implementation problems.

Among other things, during the year under review, the Bureau improved on its processes under the National Quality System Certification MS ISO 9001:2000; reviewed its quality objectives; ensured the continued implementation, in line with Government Policy, of the Programme-Based Budgeting (PBB) System; and effectively implemented the Performance Management System (PMS).

### THE ERRORS, OMISSIONS AND CLARIFICATIONS REPORT (2009)

The Errors, Omissions and Clarifications (EOC) Report was prepared mainly to address the omissions and to redress the errors of the 2008 PRB Report on the overall Review of Pay and Grading Structures and Conditions of Service in the Public Sector (Civil Service, Rodrigues Regional Assembly, Parastatal and other Statutory Bodies, and Local Authorities) and the Private Secondary Schools.

### Consultations/Meetings held at the Bureau

Initially, meetings were held with the main federations of unions at their request to explain the modus operandi and to clarify issues of a general nature. Meetings were also held with unions and management only in cases deemed expedient. Overall, some 471 such meetings were held.

## MEETING WITH FEDERATION

# Representations

The Bureau received and processed some 1050 representations and submissions from employees, staff associations, retirees as well as management in the context of the 2009 EOC Report. Table 1 below gives the distribution of representations by sector

**TABLE 1: DISTRIBUTION OF REPRESENTATIONS PROCESSED BY SECTOR**

Civil Service	Parastatal Bodies	Local Authorities	Total
526	441	83	1050

The distribution of representations per category is displayed in the chart at Figure 1 below:

**FIGURE 1:**

Invariably all representations received were studied and examined with due diligence. Only those representations considered as valid within the framework of genuine errors and omissions were retained and corrective recommendations made.

Clarifications and other corrective recommendations were also made to facilitate implementation/interpretation of the main Report. In a few instances, the texts were revisited to remove rigidities and/or ambiguities in order to render the recommendations actionable, thus easing the implementation process.

## Visit To Rodrigues

The Director and the Deputy Director also effected a visit to Rodrigues from 03 to 06 May 2009 to give further explanations and clarifications to the public officers as well as representatives of staff associations on different issues arising out of the 2008 PRB Report. Around 200 officers, including union leaders, attended the different sessions.

## QUALITY MANAGEMENT SYSTEM

The Bureau is ISO certified and has been awarded the MS ISO 9001:2000 Certification under the National Quality System Certification since 2007.

During the year 2009, the Bureau has continued to improve on its processes and has reviewed the following quality objectives:

- (i) the processing of requests in between reviews from 12 working days to 10 working days from receipt of relevant/complete information;
- (ii) examination and report on design/redesign of organisation structures from one month to four weeks as from the receipt of all relevant data; and
- (iii) reply to queries on interpretation/clarification of recommendations within five working days instead of seven working days of the receipt of all relevant/complete information.

To ensure process control and maintain standards of delivery, 76 internal audit exercises were carried out covering all the 47 processes of our Quality Manual. Detailed statement of internal audit exercises is given hereunder:

Sector Period	QMS	Technical	Registry & Administration	Finance	Procurement
Jan 2009 – June 2009	4	8	10	4	6
July 2009 – Dec 2009	6	5	14	11	8

### PROGRAMME-BASED BUDGETING

In line with Government Policy, the Bureau implemented the Programme-Based Budgeting (PBB) System. The objectives achieved for the year 2009 are outlined below: -

- The publication of the report on Errors, Omissions and Clarifications of the 2008 PRB Report in the Public Sector.
- Assistance in the implementation of the 2008 PRB Report on the Review of Pay and Grading Structures and Conditions of Service in the Public Sector (Civil Service, Parastatal and other Statutory Bodies, Local Authorities and Rodrigues Regional Assembly) and the Private Secondary Schools.
- Production on a continuous basis of *ad-hoc* Reports on, *inter alia*, design/redesign of organisation structures, salary and grading structures and conditions of employment.
- Provision of Consultancy Services on a continuous basis to about 170 organisations in the Public Sector (Civil Service, Parastatal and Other Statutory Bodies, Local Authorities and Rodrigues Regional Assembly) and the Private Secondary Schools.

## PERFORMANCE MANAGEMENT SYSTEM

The Performance Management System was effectively implemented in the year 2009. This started in January with the performance planning where officers of the Bureau mutually agreed upon the objectives to be achieved and the key performance areas to be appraised during the performance review.

The progress review (mid-term appraisal) took place in June 2009 and officers of the Bureau were provided with appropriate feedback on their achievements. Areas of concern were highlighted for corrective actions.

A performance review (end of year appraisal) was carried out in December 2009 and a performance report prepared in respect of each officer.

## ONGOING ACTIVITIES

- **Assessment of new grades/levels and advice on remuneration of contract officers in the Public Sector**

The Bureau has set the salary of new grades; grades in respect of which schemes of service were amended in terms of qualifications, duties, responsibilities and hours of work; and for contract officers/advisers. The new grades have, *inter alia*, been assessed on the proposed duties, responsibilities, and prescribed qualifications whereas the salaries of officers on contract have been determined on the basis of the profile of the candidates including qualifications and experience, their suitability for the designated position as well as their duties and responsibilities.

- **Salary Gradings**

The Bureau has set the salaries in some 162 cases during the year 2009. The distribution of cases per category is given in Table 2 below and represented in the chart at Figure 2.

**TABLE 2: NUMBER OF SALARY GRADINGS FOR THE YEAR 2009**

	<b>Civil Service</b>	<b>Parastatal Bodies</b>	<b>Local Authorities</b>	<b>Total</b>
Established	22	36	3	61
Contractual	101	–	–	101
Total	123	36	3	162
Percentage(%)	75.9	22.2	1.9	100

FIGURE 2: NUMBER OF SALARY GRADINGS FOR THE YEAR 2009

- **Queries/Clarifications/Correspondence**

After the publication of the 2009 EOC Report, the Bureau, as usual, provided information on any problem arising out of implementation including interpretation issues to any concerned parties, namely employees, union representatives, pensioners and other casual callers. In all, we dealt with some 712 cases. This figure also includes cases received by e-mails which were responded to expeditiously within 24 hours.

- **Attending Court**

Senior Officers of the Bureau attended Court/Tribunal/Industrial Relations Commission as witness/co-defendant in three cases of industrial disputes arising out of interpretation/clarification of recommendations.

- **Providing consultancy and advisory services and participation in multi-disciplinary teams in the conduct of Job Inspection, Scrutiny and Management Review exercises**

Officers of the Bureau formed part of multi-disciplinary teams/committees set up to carry out management analysis, consultancy exercises and staff inspections in public sector organizations. During the year 2009, one such exercise was carried out in respect of the recently established Fashion and Design Institute and advice was tendered on the organization design including the framing of schemes of service and the determination of appropriate number of levels.

### **Participation in Standing Committees**

The Director or his representatives participated in the following committees during year 2009: Standing Committee on Organisation Design, Standing Committee on Incremental Credit for Experience and for Additional Qualifications, Standing Committee on Uniforms, Standing Committee on Pensions, Foreign Service Committees, Standing Committee for the categorization of Statutory Boards and Committees, National Gender Focal Points Committee, Technical Committee for Refund of Course and Examination Fees, and that on Code of Ethics.

- **Participation in Public Sector Reforms**

Several recommendations contained in the 2008 PRB Report on Public Sector Reforms/Initiatives have been implemented. The Ministry of Civil Service and Administrative Reforms has spearheaded several reform programmes in the Public Sector and has initiated a number of strategies. The staff of the Bureau have closely assisted in the implementation of these recommendations. The Director is a member of the Public Sector Reforms Steering Committee (PSRSC)

- **High Powered Committee**

The Director is a member of the High Powered Committee which, among others, looks into issues arising out of implementation of the PRB recommendations. The Committee which is chaired by the Secretary to Cabinet and Head of the Civil Service comprises, in addition to the Director, Pay Research Bureau, the Financial Secretary and the Senior Chief Executive/Supervising Officer, Ministry of Civil Service and Administrative Reforms.

## OTHER ACTIVITIES

The PRB Staff Welfare Association was set up on 14 October 2009 with the mission of catering for the well-being of its members. It is duly registered with the Registry of Associations and is affiliated to the Public Officers' Welfare Council.

The first activity in which the Association participated was the Civil Service Kermess held on Sunday 08 November 2009. The Association set a stall and offered food items for sale. Most of the members participated in a surge of team spirit.

The Association, in collaboration with Management, organised the end-of-year get-together party at Hotel Le Palmiste, Trou aux Biches on 23 December 2009.

## FEEDBACK ON OUR SERVICES

With a view to gauging the quality of services delivered by the Bureau in terms of its core values, a Customer Feedback Survey was launched in the month of December 2009. A Feedback Survey Questionnaire was dispatched, along with an updated Customer Charter of the Bureau, to around 500 respondents comprising Ministries/Departments, Parastatal Bodies, Local Authorities and Staff Associations.

# CHAPTER V

## RESEARCH, TRAINING AND DEVELOPMENT

## RESEARCH

Research is an inbuilt core activity of the Bureau. It is carried out in the fields of remuneration practices, pay systems, grading structures, conditions of service and public sector reforms to keep abreast of latest developments both at the local level and in overseas jurisdictions.

To this end the Bureau makes full use of its ICT equipment comprising a dedicated server and some 27 personal computers.

The Bureau also has a Local Area Network which is connected to the Government Online Centre (GOC) through which the officers have easy access to internet facilities.

The Documentation Unit of the Bureau has a collection of statutes, books, reports, periodicals and research papers.

## TRAINING AND DEVELOPMENT, 2009

During the period 2009, the Bureau provided its staff with ongoing training and continuous professional development through short focused courses, seminars and workshops. The strategic aims were to upgrade the skills of staff for an effective service delivery; uphold the core values of the Bureau; and provide a supportive learning environment to promote equitable access to training and career development. In the design of in-house training, care was thus taken to balance organizational, service, professional and individual needs.

The year 2009 was particularly marked by the maiden one-day workshop organized by the Bureau. It was well attended and evaluated and comprised programmes in technical areas to meet the competency requirements of professional staff to deliver in their roles. It also served as a forum for in-depth discussions on the strategies to be adopted by the Bureau for the forthcoming Report.

## OBITUARY

Late Tiagaraj Naidoo Sokappadu who passed away on 28 September 2009

**“When you were born, you cried while the world rejoiced. Live your life in such a way that when you die the world cries while you rejoice”**

Sanskrit saying

The sudden death of Mr. Tiagaraj Naidoo Sokappadu has left many crying. He had touched the hearts of many while he walked through his life. He had a special talent that added value to the lives around him.

Tiagaraj was born on 23rd June 1956 at Chemin Grenier. He completed his secondary education at Presidency College, Riviere des Anguilles. Thereafter he proceeded to India to pursue further studies. He graduated with a Degree in Statistics/Mathematics. He worked at the Central Statistics Office after his graduation and joined the Pay Research Bureau in February 2002. He successfully completed his MBA in 2007. He has been a committed, dedicated and responsible officer. His contribution to the Bureau has been remarkable. As a friend, he was very caring and helpful.

Tiagaraj would be sadly missed but warmly remembered by the Bureau.
